# Custom Sublimation Fabric WristBands **Model: FW - SUBLIMATION**

## Description:

Custom sublimation or heat-transfer wristbands are made of the finest quality soft polyester fabric. The texture is completely smooth and soft due to high temperatures pressed onto them during their manufacture. These wristbands are the best way to display full-color logos and complex designs. This printing method dyes the design into the fabric through a heat press rather than printing on top like the silk-screened styles. We can print QR codes on this bands. Thanks to the innovative sublimation print technology, our wristbands reproduce images with sharpness and detail.

- Fully customizable
- Full-color logo
- Edge-to-edge, full-color printing of logos
